

# Urgent: Drug Recall

GE Healthcare

101 Carnegie Center  
Princeton, New Jersey 08540  
USA

March 24, 2006

Dear Valued Customer:

Please be advised that GE Healthcare, Inc. is voluntarily recalling two lot numbers of **Myoview™ (Kit for the preparation of Technetium Tc99m Tetrofosmin Injection)**, due to the lack of assurance of product sterility. The probability of serious adverse health consequences related to the use of the product is remote.

|                             |  |
|-----------------------------|--|
| <b>Product Description:</b> | <b>Myoview 10mL vial, carton of five vials</b> |
| <b>NDC Number:</b>          | <b>17156-024-05</b>                            |
| <b>Product Code Number:</b> | <b>N166A</b>                                   |
| <b>Product Lot Numbers:</b> | <b>1330 and 1334</b>                           |

Our records indicate that you may have received this product. Immediately examine your inventory and determine if this product is in your possession. If so, please discontinue the use of the product and return it in accordance with the information contained in this letter. If you have distributed any of the 10mL vials from either of the above product lots, immediately contact your accounts, advise them of the recall situation and have them return unopened 10mL vials of the recalled stock to you.

**Unopened 10mL vials of product should be shipped directly to:**

**GE Healthcare  
Medi-Physics, Inc.  
3350 North Ridge Ave.  
Arlington Heights, IL 60004**

You will receive full credit for any product returned. GE Healthcare will cover the shipping and handling cost of any return. Please contact our Customer Service department at 1-800-292-8514, option 4, to arrange any return. You can also order new product at this time.

A supply of pre-printed shipping labels, a return goods packaging slip, and a business reply card are enclosed to facilitate the return of product. Please complete and return the business reply card immediately so that we have a record of your response. This product recall was voluntarily initiated by GE Healthcare and is being made with the knowledge of the Food and Drug Administration.

We deeply value the trust you have placed in GE Healthcare by purchasing Myoview and regret any inconvenience this product recall may have caused.

If you have any questions concerning this recall, please call us directly, toll free, at 1-800-292-8514, menu option 4.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel L. Peters". The signature is fluid and cursive, with a large initial "D" and "P".
